THE TOWNSHIP BOARD OF TRUSTEES FOR THE CHARTER TOWNSHIP OF LANSING HEREBY ORDAINS:

1. Chapter 61 ("Outdoor Assemblies and Special Events") of Title VI ("Licensing") is hereby added to the Code of Ordinances as follows:

CHAPTER 61. OUTDOOR ASSEMBLIES AND SPECIAL EVENTS.

Section 61-1. Intent.

The Township Board finds and declares that the interests of the public health, safety and welfare of the citizens of the Township require the regulation, licensing and control of assemblages of large numbers of people in excess of those normally drawing upon the health, sanitation, fire, police, transportation, utility and other public services regularly provided in and by this Township.

Section 61-2. Definitions.

The following words, terms and phrases, when used in this article, shall have the meanings ascribed to them in this section, except where the context clearly indicates a different meaning:

Attendant means any person who obtains admission to, attends and/or is present for an outdoor assembly, including, but not limited to, spectators, participants, workers, vendors, and performers.

Licensee means any person to whom a license is issued pursuant to this chapter.

Outdoor assembly or assembly means any event, attended by more than 150 persons attendant, all or any part of which includes a theatrical exhibition, competition, public show, display, entertainment, amusement or other exhibition, including, but not limited to musical festivals, rock festivals, peace festivals, sporting or athletic events, or similar gatherings, but does not mean:

- (1) An event which is conducted or sponsored by a licensed or accredited school on its property; or
- (2) An event conducted entirely within the confines of a fully enclosed and covered permanent structure. This does not include temporary structures or tents.

Sponsor means any person who organizes, promotes, conducts, or causes to be conducted an outdoor assembly.

Notwithstanding any provision contained within the Township's Code of Ordinances to the contrary, the provisions of this chapter shall apply to all properties within the Township, regardless of use and zoning classification.

Section 61-4. License required.

A person shall not sponsor, operate, maintain, conduct or promote an outdoor assembly in the Township unless they shall have first made application to the Township Clerk for, and obtained as hereinafter prescribed, a license for each such assembly.

(a) Each application shall be accompanied by a detailed description, including drawings and diagrams where applicable, of the prospective licensee's plans to provide for the following:

2. Parking of a sufficient number to accommodate all motor vehicles, but no less than 1 parking space per 3 attendees, as approved by the Township planning department and/or zoning administrator. 3. Licensee shall so conduct the assembly, including the Township's review and approval of the hours of operation, to ensure that it shall not give rise to a nuisance of noise, vibration, smoke, odor or dust.
4. Miscellaneous. In approving the issuance of a license, the Township may impose any other condition reasonably calculated to protect the health, safety, welfare and property of persons attendant or of the citizens of the Township.

Section 61-5. Fees, deposits, bonds and insurance.

The fees and deposits to be charged for licenses issued pursuant to this section shall be established by the Township Board by resolution. The fee schedule so established by the Township Board shall be posted in the office of the Township Clerk.
